

S.6 students' feedback to Typhoon Writing Workshops 2007-2008

- 1. Most students slightly disagreed that the programme enhanced their interest in writing.**
- 2. Most students slightly disagreed that the programme improved their writing skills.**
- 3. Some students enjoyed the programme while some did not.**
- 4. Half of the students thought there were sufficient writing practices for them.**
- 5. Half of them thought the pace was appropriate.**
- 6. Half of the class thought the instructor was effective.**
- 7. Most of the students did not want to join a similar course in the future.**
- 8. Strengths of the course: enough time to write, fun topics, interesting explanation.**
- 9. Areas to improve: to teach more advanced vocabulary and sentence patterns, to include some AL materials, to be held in another time slot as students were tired.**

Questionnaire

Lock Tao Secondary School 2007-2008
Typhoon Writing Workshops for Students
